

Legion Notes

Post 178

It was very gratifying to the officers and members of the post to have a group participate in, and witness the short ceremony held at the Village Park on Veterans Day. Those who are fortunate to be here and able to participate in such a service have long memories and such a service is attended with deep feeling for those who were unable to return and should stir all of us to deeper regard for this great country.

There are some fourteen hundred disabled, ill or mentally ill Veterans in various hospitals in Dutchess County. Many of these are stamp collectors and recently an appeal has been sent out by these facilities for stamps. If you have a collection you are not using or if you have surplus stamps or are willing to save stamps you can be of great help to some of these Veterans if you will turn over the stamps to Commander Don Tompkins or any of the Legion members. The Post will see that they are put to good use.

A tentative date of December 10th has been set for Legion Posts to entertain the Veterans at the Wingdale State Hospital. It is hoped that some talent can be secured and possibly a collection of gifts for these unfortunate fellows. Any one having a suggestion as to entertainment or gifts can get in touch with Commander Tompkins.
