

MINUTE OF SILENCE TO BE OBSERVED ARMISTICE DAY

Area residents are asked to observe a minute of silence at 11 o'clock Saturday morning (Armistice Day) in memory of those who died for this country during the World Wars. This is part of a national tribute that has been observed since the end of World War I in 1918.

In Millerton, taps will be played over a public address system which should be heard in all parts of the village, American Legion Commander Richard Tanner has announced.
